

The C.U.C.O Youth Track Organization is actively seeking corporate and individual sponsors for our youth organization. Our organization ranges from the ages of 5-18. CUCO Track Club competes in both AAU & USATF meets. Our team is filled with several elementary-high school aged athletes and future leaders. We are a very competitive organization and compete with the very best that florida has to offer. With your generous support we hope to continue that success and build upon it. In our first season our athletes achieved amazing results. Our entire original team qualified for AAU Nationals, we produced 2 All-Americans and 1 athlete signed a full scholarship to Florida International University. As with other sports we believe that track and field is not only a great sport but it teaches the young men and women of our communities about life. Teamwork, Perseverance, Commitment, Passion and a great work ethic are all stressed on our fields. As a business owner or manager you know these traits because you live them everyday. Our organization also thrives to help inner city kids who are less fortunate, but want to participate in track and field by providing them an outlet. Please help us continue to grow this organization to be difference makers for our youths. We have broken down our sponsorship levels as follows:
